

Коллекция «Miranda» — это очень стильная, но в то же время очень нежная коллекция для стен любого помещения. Легкий, будто сотканный из тончайших нитей цветочный дизайн украсит комнату, не перегружая насыщенностью рисунка. В коллекции «Miranda» представлены также абстрактные дизайны, с геометрическими рисунками, однотонные с текстурой. Под такие обои можно подбирать смелые решения интерьера, аксессуаров и освещения. Цветовая палитра представлена в резком контрасте: с одной стороны - в спокойных светлых тонах, с другой - в глубоких и насыщенных оттенках.
